

Lutheran Home Cottages

It's time for possibilities.

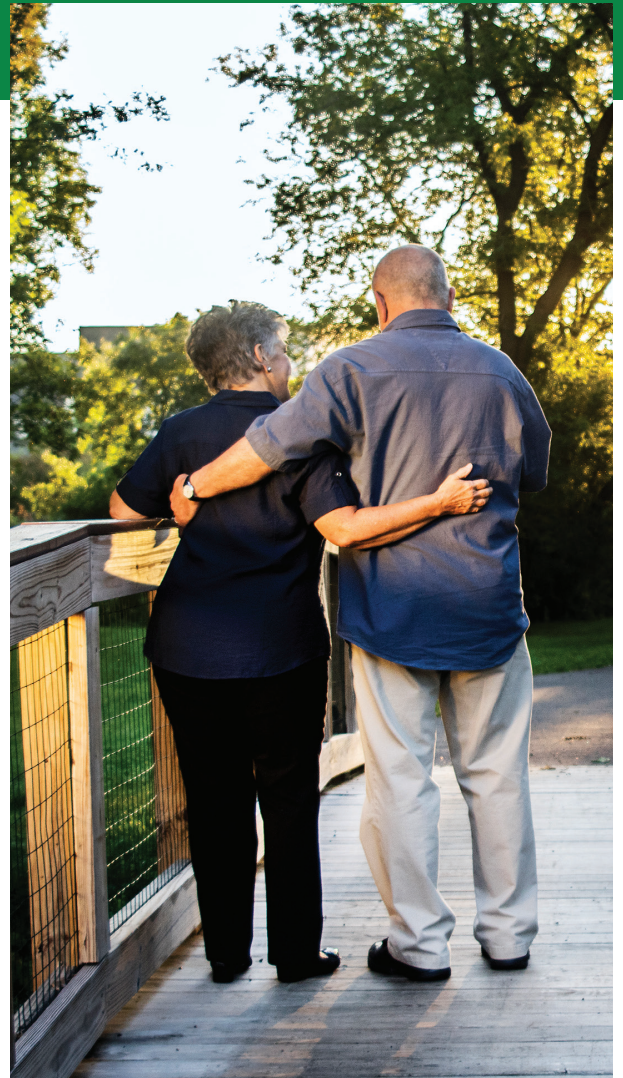

The Lutheran Home Cottages are designed for individuals living with varying stages of memory loss who could benefit from a long-term, secure environment.

The 14 occupant Lutheran Home Cottages support each individual's need for around-the-clock, compassionate care to help them achieve their highest level of independence. Dually licensed as a Special Needs Assisted Living and an Enhanced Assisted Living Residence, individuals are able to remain in our cottages longer with access to a broad scope of healthcare services to address a variety of memory loss issues.

The cottages offer the ideal combination of support and amenities:

- Brightly colored interior to help residents navigate
- Neighborhood-style setting to maximize opportunities to socialize in community lounges, dining rooms and libraries
- Safe and secure courtyard in which to enjoy the outdoors
- Escorted outings and activities to nurture and celebrate unique skills and talents

The cottages are staffed by experienced professionals trained in memory loss care. Day-to-day support includes providing assistance with medications and medical needs, three meals and nutritious snacks daily and socialization.
