

Adult Daycare

It's time for possibilities.

Community Wellness Partners also offers **Medical Adult Day Health Care** and **Social Adult Daycare** programs designed to:

- Provide opportunities to socialize, develop friendships and receive peer support
- Maintain present level of function and prevent or delay further physical or mental deterioration
- Provide respite for families and caregivers

Medical Adult Day Health Care specializes in a higher level of care and offers:

- Nutrition – Nutritional assessment and evaluation, and take-home meal service
- Social Services – Supportive services assessment and referral, Medicare/Medicaid assistance
- Medical Services – RNs; certified nurse aides; and staff psychologist (under the direction of an M.D.)
- Pastoral Services – Individual spiritual support, bible study and religious services
- Rehabilitation – A coordinated plan of care utilizing physical therapy, speech therapy and audiology
- Recreation – Individual and group activities, including reminiscence, music therapy, gardening, computer classes, Wii activities, aquatic program and much more

- Transportation – Ambulatory and non-ambulatory within defined geographic boundaries
- Supplemental Services – Podiatry, dental, laboratory and x-ray services

Social Adult Daycare provides a safe, comfortable and supervised setting for older adults and offers:

- Nutritional Meals – Continental breakfast, lunch and snacks, plus take-home evening meals, for an additional fee
- Social and Recreational Activities – Religious services, sing-alongs, bingo, crafts, tabletop bowling, nail care, wellness center activities, and community outings and shopping trips.
- Beauty and barber shop services
- Individual care plans
- Transportation services

Adult Daycare services also offer a variety of courses to older adults in our community, including computers, finance, health education, horticulture, literature and poetry, music and art, and nutrition.

Program supported by Oneida County Office for Aging
