

Spiritual Care

It's time for possibilities.

Our full-time chaplains meet the spiritual needs of residents by:

- Providing one-on-one visits
- Comforting individuals in crisis
- Offering counseling and education services
- Acting as liaison with churches
- Providing spiritual and emotional support to individuals and their families
- Conducting memorial services

At Community Wellness Partners, a variety of religious services and programs are offered, including:

- Roman Catholic Mass, Rosary and Holy Communion
- Hymn sings
- Ecumenical worship services
- Episcopal services
- Bible study classes
- Hospital visitation
- Seasonal and holiday services

We provide services to all faiths and denominations, respect our residents' religious history and traditions, and maintain confidentiality at all times. This is especially critical when providing spiritual and emotional support services to residents and their families during crisis.
